

TOGETHER

LOVING GOD...SERVING PEOPLE...MAKING DISCIPLES

'Together Missions' have given opportunities for local churches to host a mission team and share in a week of outreach in their local area. Many team members have found their faith refreshed and local churches have continued some of the projects instigated by the 'Together' week.

The next step for 'Together' is to offer weekend opportunities. Maintaining the same ethos and aims as the week, but shaped into a weekend.

WHY? Because we need to take seriously the commission to make more disciples and to love and serve our communities.

WHAT IS IT? 'Together' Weekends offer an opportunity to think, pray, learn and share ideas about mission. The weekend will follow a basic time-table that can be adapted to the context and local needs of each church.

WHO? A team of volunteers, led by Elaine Lindridge, will come and work with the local church for the whole weekend. In order to maximize the potential, it is important that as many as possible from the local church attend for the whole weekend. The weekend will warrant a commitment of time and resources.
